

What is a Christian Experience Weekend?

The weekend is a time of adult renewal held separately for men and women, 18 years of age and older.

How is the weekend structured?

The retreat begins on Friday night at 7:30PM and ends about 4:30PM on Sunday. In order to maximize the CEW community experience, all participants spend the entire time together, in one building. Meals are included in the registration fee.

What happens on a Christian Experience Weekend?

A series of talks, discussions and activities are conducted by both religious and lay persons which will enhance your awareness of God and your life in the Christian Community. Mass will be celebrated during the weekend.

Who should attend?

Anyone wishing to grow in their faith, strengthen their personal relationship with God and become engaged with their Christian Community. The retreat weekend includes a Catholic emphasis in the talks plus a sacramental presence of the Eucharist and Reconciliation. Non-Catholics are welcome to attend.
